Direct Stafford Loan Estimate - █████

You may also be eligible to receive other federal, state, or institutional grants, scholarships, and/or work-study.

In addition, you should learn about federal tax benefits for education, including the *American Opportunity Tax Credit (AOTC)*.

You indicated that you had filed an IRS tax return when you provided your financial information and it appears that you were eligible to use the IRS Data Retrieval Tool, which allows you to view information from your IRS tax return and transfer that information directly into your FAFSA. The benefit of using the tool is that it's the easiest way to provide accurate tax information, and it also eliminates the need for providing a copy of your tax return to the financial aid office at your college. Once your FAFSA has been processed, you can return to *FAFSA on the Web* and use the tool to transfer your tax information.

Your parent(s) indicated that they were going to file their taxes and were providing estimated 2013 tax information. Once your parent(s) have filed their tax return, you must update the information you reported on the FAFSA to reflect the actual information from the 2013 tax return your parents filed. If your parents filed a federal tax return with the IRS, when you access your FAFSA online, your parents may be eligible to use the IRS Data Retrieval Tool, which is the best and easiest way to provide accurate tax information. With just a few simple steps, your parents can view information from their IRS tax return and transfer that information directly into your FAFSA.
