WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

If your parents have now completed their 2013 tax return, you should correct your information to reflect the income and tax information reported on their tax return. Click 'Make FAFSA Corrections' on the 'My FAFSA' page to make the correction. If your parents filed a federal tax return with the IRS, they may be eligible to use the IRS Data Retrieval Tool, which is the best and easiest way to provide accurate tax information. With just a few simple steps, your parents can view information from their IRS tax return and transfer that information directly into your FAFSA. If your parents have not yet completed their tax return, you must correct this SAR to reflect the income and tax information reported on their tax return once it is filed.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page. You must use your Federal Student Aid PIN to access your record online. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.
